

Why ShieldTek Pads?

A definitive solution for managing incontinence, post-surgical leakage, and spills.

Crafted from luxurious material, these pads are not only **durable, reusable** and **easy to wash**, but also **odor, soil and stain resistant, antimicrobial**, and anti-fungal.

ShieldTek Pads masterfully capture messes, protecting your equipment and keeping it in immaculate condition.

Elevated Care for Those Who Need It Most!
Age with Dignity with ShieldTek Pads!

Protection Pads

Where Luxury Meets Protection

For Lift Chairs, Mobility Scooters, Power & Manual Wheelchairs, Hospital Beds and More...

Proudly Made in the U.S.A.

Key Details to Know:

- For best performance of the wheelchair pads close velcro closures prior to wash & dry.
- Cold/Delicate Wash
- For Power Mobility Pads: secure elastic first to front of seat, then pull pad back.

Customer Testimonial

"I recently purchased a Shieldtek pad for my mother, and couldn't be more pleased. It has been a game-changer! Easy to just throw in the wash, and she loves how discreet they are. Thank you, for giving my mother her confidence back!"
 Alice G.
